FAA-STC for USA35B mod 63" chord rib
Carlson Wing design, instruction book & drawings for
Piper Rag Wings. and Baby Great Lakes Wing

To be considered, a bid must be accompanied with a check for \$1000. Monies will be held in escrow by Huntington Bank until sale is made. (Monies on bids not accepted will be returned). Bids will be accepted and acknowledged until midnight of August 19th 2017.

We recognize that there will be interest in just the business and / or desire to move it to another location. Other interests will be in the building and acreage alone. (*Information regarding the buildings and acreage is posted separately*). **Offers on the 85 acres, runway and buildings will be considered after the business and aircraft are sold.**

All contacts will be confidential.

Located at: 51028 SR 14,
East Palestine, OH 44413.

Consider this a cordial invitation to view the property, ask questions and obtain information. To give the best opportunity and consideration, showings will be by appointment only. **You are welcome to call or email Mary Carlson . Contact information below**
